

THE CULLIGAN® COMMITMENT.

At Culligan® we are committed to providing the highest quality products. Our units are tested to the highest standard and use parts that are corrosion resistant. Culligan® also offers the most experienced, professional service. You can count on Culligan's 70-year tradition of innovation and service in the water treatment industry. A trained technician will install and program your home system.

Also available: salt delivery, filter/media changes and financing.

CULLIGAN TOTAL HOME™ SPECIFICATIONS

Smart technology includes an easy-to-read backlit display with digital clock that lets you know when you have soft water and warns of system malfunctions.

Exclusive, non-corrosive **control valve** with 5 cycles is motorized to provide more reliability than rotary valve systems.

Efficient **bypass valve**, one-inch Cul-Flo-Valv®, lets you bypass the system without losing pressure for times when softened water is not needed (for watering the lawn, etc.).

Outlet manifold, 1-1/4-inch size, reduces the chance of water pressure drops throughout the home.

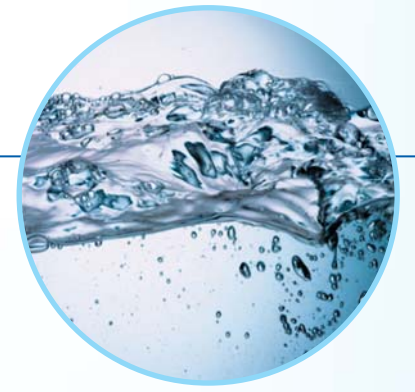

Tank, Culligan's high-impact Quadra-Hull®, stands up to outdoor use with a four-layer design that resists UV rays, rust and corrosion.

Long-lasting **brine tank** with corrosion-proof components and Dubl-Safe® brine refill control for assured shut-off.

Activated carbon media adsorbs chlorine taste and odor.

Maximum water softening capacity with Cullex® **resin media**, that assures stability and long life; evenly distributes water for maximum flow rates.

Experience the difference Culligan can make.

Culligan Total Home™ Water Filtration System

The **TWO-IN-ONE** Solution for water!

REDUCES CHLORINE TASTE -
for a fresh, clean taste and smell.

SOFTENS WATER -
for shinier hair, smoother skin,
crystal clear dishes, softer laundry.

CULLIGAN TOTAL HOME™: THE WHOLE HOUSE SOLUTION FOR WATER'S DIRTY LITTLE SECRETS.

WATER THAT SMELLS AND TASTES LIKE A SWIMMING POOL

DRY SKIN AND DULL HAIR

WHITE SPOTS/RESIDUE ON YOUR GLASSWARE AND DISHES

STIFF, GRAY LAUNDRY

You shouldn't have to think about water...

But, water can be so harsh. Hard water and/or chlorine in your water can cause unpleasant tastes and odors, spots on dishes and sink fixtures, listless hair and skin, and laundry that doesn't feel or look sparkling clean.

Culligan's Total Home™ Water Filtration System helps you eliminate the harsh realities of water. The one-unit system filters and softens water in every room in your house, before it touches your family, your fixtures or your appliances.

*Must refill system with salt, as required. **Filter life subject to incoming water quality.

Culligan® water is better, pure and simple!

BETTER WATER YOU CAN TASTE, FEEL AND SEE:

- **Refreshing:** better taste for ice, juice, coffee
- **Cleaner:** no more bathtub scaling; easier lathering
- **Softer:** laundry, sheets and towels are fluffier
- **Brighter:** colors won't fade as quickly
- **Crystal clear:** eliminates spots on glassware and dishes

BETTER WATER SAVES YOU MONEY:

- **"Smart electronics:"** programmed upfront to match your family's needs and adjust automatically so that you never run out of treated water*
- **Gentle:** adds extra years to your appliances and fixtures
- **Cost efficient:** filters last up to five years, less detergent needed for washing clothes and dishes**

BETTER WATER GIVES YOU PEACE OF MIND:

- **Easy to use:** Large backlit display lets you know when maintenance is needed
- **Reliable:** Battery and time clock keep your unit going even during power outages
- **The Culligan Man:** Culligan's trained technicians will install and service your system
